### Opis produktu

Książka wydana w języku angielskim, twarda okładka. 376 stron.

“**1000 Chess Problems** is excellent and the commentary to the solutions has just the right mix of education and entertainment. The book can be opened on any random page and you will be sure to find pure gold from the treasuries of chess compositions.”

**Steffen Nielsen** - World Champion in Endgame Studies 2022-24

“The explanations to the solutions are the best I have ever seen in a book of this nature.”

**Dr. Steven Dowd**, chess composer
