### Opis produktu

#### **Wersja językowa książki - angielska.**

On a fateful summer afternoon Alma, Drifter, Felix and Bella are mysteriously transported to an alien world. Can they find their way back home? To succeed, they will need to make clever decisions – and perhaps even some sacrifices.

Judit Berg is an award-winning, best-selling children's author from Hungary. In Alma, with the help of Judit Polgar, the best female chess player of all time, she shares the magic of chess with the readers in an exciting adventure story!

To enjoy this book, you don't need to know how to play chess – Alma's companions don't. But without their help, Alma would be doomed to fail...

272 pages - Published (hardcover) 30 October 2019
