### Opis produktu

Książka w twardej okładce. Wersja językowa - angielska.

Bent Larsen is one of the most celebrated chess players of the twentieth century. Larsen is the man who pushed Bobby Fischer down to Board 2 on the Rest of the World team in 1970. The Danish grandmaster had spectacular results, but chess fans appreciated even more his creativity and fighting spirit. For Larsen, a drawish-looking position was no reason to halt a game, as he had the ability to create magic out of thin air.

**Learn from Bent Larsen** is a labour of love by award-winning author Mihail Marin. This project was originally planned as one chapter in a book about several players, but as ever more gems emerged, it became clear that Bent Larsen deserved a book of his own.

**Mihail Marin** is a grandmaster from Romania. His books for Quality Chess have established him as one of the world's finest chess authors.

304 pages - Published (hardcover) 9 November 2022

Praise for the author's previous work:

"Beautifully written and inspirational."

**GM Luke McShane**

"A typically lucid and thorough exposition from perhaps the most insightful and reliable chess author writing today."

**GM Jonathan Rowson**, *New in Chess*
