Oprawa	miękka
Rok wydania	2015
WAGA	280 g

Opis produktu

Original Opening Ideas: Sound – and Dangerous!

Opening Originals focuses on both sound and dangerous opening ideas that have escaped wide notice.

In some cases, they are artifacts of the past, too soon discarded and without good reason; in others, they are home-cooking, and may anticipate the future of theoretical developments.

In all cases, the author's explanations are concept-based, and little memorization is required.

American master **Dan Lowinger** is an active player, coach and teacher. He is the author of the highly acclaimed 'The 3...Qd8 Scandinavian'.

From the Foreword by GM Lars Bo Hansen:

"Daniel Lowinger offers his readers a select menu of opening ideas from which you can pick and choose. Whether you are looking for new ideas to add to your repertoire in 1.e4, 1.d4 or 1.c4 openings; for White or for Black; sharp or quiet lines – this book has something for you! [He looks] into lines that are not the most common, backing his ideas with thorough research and independent analysis."

Sean Marsh, CHESS Magazine:

"Plenty of tempting offers (...) The ideas are neatly presented and have illustrative games that have been chosen well, with the notes focusing on common-sense explanations rather than a forest of variations."
