Opis produktu

Wydanie w twardej okładce, wersja językowa - angielska. 440 stron.

The Nimzo-Indian Defence is an ideal weapon for Black at all levels. It has been popular for over a century due to its positional soundness, yet has experienced a revolution in recent years, with modern analysis increasingly highlighting its dynamic potential.

Playing the Nimzo-Indian offers a complete repertoire for Black after **1.d4 Nf6 2.c4 e6 3.Nc3 Bb4**, with an active, counterattacking emphasis on the choice of lines. The forthcoming companion volume, [Beating the Queen's Gambit - Indian Style!](#), will complete the coverage of **1.d4 Nf6** from Black's perspective by covering White's alternatives on moves 2 and 3, with **2.c4 e6 3.Nf3 d5** the biggest topic.

With bulletproof analysis, more novelties than we could keep track of, and deep explanations of plans and concepts, **Playing the Nimzo-Indian** offers everything you need to learn and play the Nimzo-Indian successfully.
