### Reggio Emilia 2007/2008

by Mihail Marin and Yuri Garrett

This book celebrates fifty years of the famous Italian tournament. All the games are analysed, many of them by the players themselves: those sharing their wisdom include award-winning author Mihail Marin, rising star Ni Hua, tournament winner Zoltan Almasi and the legendary Viktor Korchnoi. In addition, photographs and entertaining stories take the reader behind the scenes at a top-class tournament.

- · Insights from famous grandmasters
- · An elegant and enlightening tournament book
- · Beautiful black & white photography

**Mihail Marin** is a grandmaster from Romania. His previous books for Quality Chess have established him as one of the world's finest chess authors.

Yuri Garrett is an Italian publisher and tournament organizer.

#### Reviews

"A new publication in the best tradition of chess writing: a serious tournament book... I would like you to see Reggio Emilia 2007/2008 as an intriguing and well-written novel, rather than 'just another' chess book on the market... Marin takes us by the hand towards a crystal-clear understanding of the games... This is simply top level chess entertainment.... I hope readers will consider buying this very charming book; perhaps it will energize publishers to publish more serious tournament reports. It's too beautiful a tradition to be written off already."

#### Arne Moll, ChessVibes (full review)

"The quality of the annotations is excellent... you almost feel as if you were a part of the tournament yourself... an excellent

book, and I hope many readers will add it to their libraries: both for their benefit and to encourage Quality Chess and other publishers to produce more such books in the future. 5/5 Stars, Highly recommended"

#### **Dennis Monokroussos, Chess Today**

"A throwback to an earlier time when strong tournaments merited serious books...All the games are annotated, sometimes by both players...Marin, who has an outstanding track record, does an excellent job...This is a great book that would make a perfect Christmas present for any chessplayer."
