### Opis produktu

**Wersja językowa książki - angielska. Twarda okładka.**

**Street Smart Chess** is an expert guide to scoring more points at the chessboard. When does it pay off to play hard for a win? Or safe for a draw? And how do you adapt your playing style accordingly?

**GM Axel Smith** answers these questions, and more, by using a world-class player as a model for each chapter. Learn how Magnus Carlsen grinds out wins from level positions; how David Navara beats lower-rated opponents, and how Baskaran Adhiban beats higher-rated ones! Or serve-and-volley in the opening like Peter Heine Nielsen.

Playing well is a good start in chess, but you also need to be **Street Smart**.

**Axel Smith** is the award-winning author of *The Woodpecker Method*, *Pump Up Your Rating* and *e3 Poison*, which were all enthusiastically received by readers and reviewers. Using the *Woodpecker* as part of his training, as an adult he improved from a rating of 2100 to becoming a Grandmaster.

248 pages - Expected Publication (hardcover) March 2021

Hardcover ISBN: 978-1-78483-122-6
