### Opis produktu

**Wersja językowa książki - angielska.**

A hardcover edition of this book is also available

The Grandmaster Battle Manual explains how to be a more competitive chess player. Chess grandmaster Vassilios Kotronias has been a professional player for two decades and now he explains the secrets of his success. As a writer, Kotronias has the skill to explain in words what other top players can only express in long lists of chess moves. Improve your chess with a grandmaster guide.

**Vassilios Kotronias** is a chess grandmaster and former Greek Champion. He is a key member of the Greek team as both a player and coach. On the international tournament circuit he is a feared competitor who is particularly noted for his profound opening preparation.
