Producent	<b>Wydawnictwo New in Chess</b>

### Opis produktu

**Książka w języku angielskim w miękkiej okładce**  
**272 strony**

Oscar de Prado has revisited the London Chess Opening, after the enormous success of The Agile London System, the book he co-authored in 2016. His new book has a more practical approach. De Prado avoids long and complicated variations and concentrates on explaining straightforward plans, clear-cut strategies and standard manoeuvres.
