The Secret Ingredient is a grandmaster guide to maximizing your chess results, focusing on key elements of practical play which have received little to no attention in previous chess literature.

- How exactly can we best make use of computers?
- What's the ideal, step-by-step way to prepare against a specific opponent?
- How can we optimize our time management at the board?
- And what's the one key skill that separates the best players from those who have yet to reach their full potential?

GM Jan Markossheds light on these topics and many more, helped by the world-class insights of his good friend GM David Navara.
