Producent	New In Chess

Opis produktu

Wersja językowa angielska.
Miękka okładka.
280 stron.

Swedish chess legend Ulf Andersson was a positional genius with a crystal-clear style. In his prime, in the 1970s and 80s, he rose to the number 4 spot of the FIDE world rankings because he almost never lost a game and kept scoring wins from quiet positions.

But every now and then, he found himself in a position on the board that demanded an attack. And then he would strike! He was fierce and decisive, showcasing his phenomenal talent and his incredible ability to sense any imbalance on the board.

Ulf - The Attacker is an amazing collection of thrilling games! Ulf is widely regarded as one of the most likable figures in the chess world. He is consistently humble, generous with his time, and known for his exceptional sportsmanship. But at the board, he was merciless in his games against Anatoly Karpov, Viktor Korchnoi, Bent Larsen, and Lajos Portisch, to name a few of the chess stars that got crushed in an attack.

This book is both entertaining and instructive. Ulf Andersson's fluid attacking game will undoubtedly influence your own thinking about chess.

Thomas Engqvist is an International Master from Sweden. He has over forty years' experience as a chess coach, teacher and writer. This is his eleventh chess book, and the first one published by New In Chess.
